KALISPELL REGIONAL HEALTHCARE MISSION
Improve health, comfort, and life.

SERVICES TO OUR COMMUNITY
Kalispell Regional Healthcare (KRH) is a 343-bed health care system located in Kalispell, Montana. KRH serves more than 190,000 people within a geographical region of 20,000 square miles and employs more than 4,000 team members. The medical staff includes more than 400 physicians, physician assistants and nurse practitioners. Nearly 70 physician specialists see patients at outreach clinics in Libby, Plains, Polson, Missoula, Ronan, Anaconda, Deer Lodge, Bozeman, Helena, Great Falls, Choteau, Conrad, Shelby, Cut Bank, Browning, Eureka and Whitefish. KRH has maintained the nation’s first rural air ambulance service (A.L.E.R.T.) for more than 40 years.

KALISPELL REGIONAL HEALTHCARE
Strengthening community health through collaboration

The Flathead Valley has seen extensive change in the past several years, with significant growth in both population and tourism. As the population increases, so do health care needs. Kalispell Regional Healthcare is responding to these needs in a variety of ways, including a significant upgrade of our emergency services department and the addition of a new children’s facility. Our pediatric program continues to grow, and we now offer a wide variety of specialty services to keep our young families from traveling outside of Montana for care.

Change is not unique to our valley. Across the country, changes in health care at a national level continue to impact small communities. The same is true in northwest Montana. Building relationships with our neighboring communities has become very important to us. From offering specialty care clinics in remote locations to our telehealth network and A.L.E.R.T. air ambulance service, we find ways to bring services to these smaller communities that otherwise would be unavailable.

It is our duty to respond to these needs and the requests of regional community hospitals. Through these collaborations, access to health care has increased in northwest Montana.

Last year, Kalispell Regional Healthcare began a unique affiliation with North Valley Hospital in Whitefish. As our two organizations continue to work together for the good of community, patients will experience an improved continuum of care. New services are now being offered to the Whitefish community through North Valley Hospital. We are learning from one another and will continue to help serve the health care needs of our community.

Thank you for trusting us with your care.

Kalispell Regional Healthcare Administrative Team
COMMUNITY IMPACT

PATIENTS*
(KRH fiscal year April 1, 2015 to March 31, 2016)

- 9,327 Admissions
- 696 Births
- 15,617 Surgeries
- 215,061 Outpatient Visits
- 23,792 Emergency Visits

*These statistics reflect KRH data prior to the affiliation with North Valley Hospital.

ORGANIZATION
(As of April 1, 2017)

- 4,041 Team Members
- 485 Medical Staff
- 234 Volunteers
- $608,855 Employee Giving
- 594,306 Sq. Ft. Growth
Our community benefit effort is a measured approach to meeting identified community health needs, particularly in the vulnerable, uninsured, and underserved communities. Kalispell Regional Healthcare demonstrates a commitment to promoting health, well-being, and a caring spirit throughout the community. These activities bring little or no payment to our hospitals, but are sustained because they are valuable to our region and support our mission. As a not-for-profit health care system, Kalispell Regional Healthcare is dedicated to improving the health, comfort, and lives of the people we serve.

BENEFIT TO OUR COMMUNITY* = $103,547,980

BAD DEBT = $5,956,250
CHARITY CARE = $9,599,386
EDUCATION and SERVICES = $27,133,159
GOVERNMENT SHORTFALLS = $60,859,185

BAD DEBT
Bad debt is the total cost incurred by Kalispell Regional Healthcare for service lines provided to patients who have not paid their bills and who have not demonstrated their inability to pay.

CHARITY CARE
Medical attention to the region’s most vulnerable and uninsured/underinsured means that KRH provides care regardless of a patient’s ability to pay, insufficient health insurance, or level of coverage for the full cost of services by government-sponsored programs. Charity care does not include bad debt.

EDUCATION and SERVICES
Kalispell Regional Healthcare supports our community by providing education events, community clinics, support groups, emergency and trauma services, women’s and children’s services, hospice and home health services, behavioral health services, and more.

GOVERNMENT SHORTFALLS
Government-sponsored health care shortfalls primarily include the Medicare and Medicaid programs. These programs pay less than it costs us to provide care to Medicare and Medicaid patients. The amount shown reflects the actual cost to provide these services above reimbursement.

Where does the net revenue go?

59% Staff Support
22% Other Expenses
18% Medical/Rx Supplies
1% Investment in KRH Mission
THE HEALTHCENTER

An acute care hospital formed in partnership with local physicians, providing patient-centered care and treatment with advanced technology.

Irene Feria, MD, ECNU
Alison Schneider, MD, CCD, ECNU

Gastroenterology
The diagnosis and treatment of diseases of the digestive organs including the esophagus, stomach, bowels, colon, liver and gallbladder.

Michael Boharski, MD
Ramon Generoso, MD
Juergen Johannes Mueller, MD
Tessa Skotnicki, PA-C
William Cobell, MD
Craig Harrison, MD
Howard Tice, MD
Carrie Ann Thompson, NP
Nicholas Costrini, MD, PhD, MBA
Philip E. Jaffe, MD
Shana Carter, APRN

Geriatrics and Supportive Care
Specialty services focusing on disease management for the health and well-being of older adults, in tandem with services supporting individuals and families living with serious illness.

Leah Carlburg, MD
Deborah Lessmeier, MD
John Erickson, FNP-C
Jenny Streich, FNP
Kerry J. Eby, MD
Jonathan Torgerson, MD
Karyn Thornton, PA-C
Sara Torgerson, FNP
Derek Gedlaman, DO
Gelene Berkram, FNP
Amber Rudd, FNP
Heart and Lung Health, Cardiology
The study of the heart and its function.

Lawrence Iversen, MD  Heidi Shors, MD  Jeffrey Dukeman, PA-C  John Willcut, FNP-C
Bert Jones, MD  Kim D. Stimpson, MD  Steve Trimble, PA-C

Otolaryngology
The surgical and medical treatment of diseases of the ears, nose, throat, and neck.
David Y. Healy Jr., MD  Karl Oehrtman, MD  Kyle J. Tubbs, MD
Kent Keele, DO  Mitchell Ramsey, MD

Pain Management
The application of surgical and medical treatments to control or eliminate acute or chronic pain resulting from a physical injury or other medical condition.
Robert Cale, MD  Brenda Anderson, PA-C  Matt Zemacke, PA-C
Camden Kneeland, MD  Eric Belanger, PA-C
Pathology
The study of the changes in tissues and organs that cause or are caused by disease.

Pete Fisher, MD    David Smimow, MD    Zachary Weber, MD

Pediatric, Primary Care
The branch of medicine that deal with the development, care and diseases of children.

Courtney Austin, MD    Laura Csaplar, MD    Kenneth Graham, MD    Douglas Nelson, MD
Mary Ann Carlson, MD    Lynn Dykstra, MD    David Habel, MD    Michael Schwaller, MD
John S. Cole, MD    Christopher Gill, MD    J. Peter Heyboer, MD

Pediatric Specialty Care, Neonatology
The specialty that involves the medical care of newborn infants, especially the ill or premature newborn infant.

Mark Kaneta, MD    Kristin Veneman, DO, FACOP

Pediatric Specialty Care, Maternal Fetal Medicine
The branch of obstetrics dealing with the period of time around childbirth.

Debra Guinn, MD, FACOG

Pediatric Specialty Care, Anesthesiology
The study and practice of administering sedation and/or anesthesia to temporarily block pain in children from birth through age 18.

Matthew Keller, DO    Adam Schow, MD    Alice Seifarth, MD

Pediatric Specialty Care, Cardiology
The study of the heart and its function in children from birth through age 18.

Austine K. Siomos, MD    Joshua J. Sticka, MD

Pediatric Specialty Care, Critical Care
A pediatric intensive care unit (PICU), is an area within a hospital specializing in the care of critically ill infants, children, and teenagers.

Margaret Satchell, MD

Pediatric Specialty Care, Endocrinology
The practice of medicine dealing with hormones and other effects of the endocrine system on the body in children from birth through age 18. It treats, for example, patients with diabetes and thyroid diseases.

Sharon Zemel, MD

Pediatric Specialty Care, Gastroenterology
The specialty dealing with digestive organs in children under 18, focusing on the esophagus, stomach, bowels, colon, liver and gall bladder.

Thomas E. Flass, MD, MS    Daniel Lustig, MD, MA    Kimberly Longcake, RN, MSN, ANP

Pediatric Specialty Care, Hospitalist
Pediatric hospitalists are pediatricians who work primarily in hospitals, including the pediatric ward, labor and delivery, the newborn nursery, the emergency department, the neonatal intensive care unit, and the pediatric intensive care unit.

Courtney L. Stout Paterson, MD

Pediatric Specialty Care, Neurology
The branch of medicine that deals with the diagnosis and management of neurological conditions in children from birth through age 18.

Marcus Wheeler, MD

Pediatric Specialty Care, Oncology & Hematology
The study and treatment of tumors and cancers in children from birth through age 18.

Courtney Lyle, MD, MAS    Carrie L. Neuhardt, MD    Brandi Skiles, CPNP

Pediatric Specialty Care, Ophthalmology
The branch of medicine dealing with the eyes in children from birth through age 18.

Aaron Alme, MD    August (Gus) Stein, MD

Pediatric Specialty Care, Psychiatry
The study, prevention and treatment of mental disorders in children.

Michael (Todd) Rutherford, MD

36
Radiology, Interventional
A specialty of radiology using minimally invasive techniques to diagnose and treat disease.

P. Chris Anderson, MD Hugh Cecil, MD Benjamin Pomerantz, MD Jason Barrett, RRA, RPA

Rheumatology
The treatment of acute and chronic condition characterized by inflammation, soreness, and stiffness of muscles, and pain in joints and associated structures.

Roger Diegel, MD Daryl MacCarter, MD, MS, FACP, FACC, RhMSUS Bernadette Van Belois, MD

Surgery, Breast
The surgical treatment for malignant and pre-malignant conditions of the breast.

Melissa Hulvat, MD

Surgery, Cardiac
The surgical treatment of diseases affecting the heart.

Walter G. Graves, MD Cheryl R. Green, PA-C Alyssa Stone, PA-C
Drew Kirshner, MD Samantha Short, PA-C

Surgery, Cardiothoracic
The surgical treatment of organs inside the thorax (the chest); generally treatment of conditions of the heart and lungs.

Walter G. Graves, MD Drew Kirshner, MD Samantha Short, PA-C

Surgery, General
A broad spectrum of surgical treatment for any area of the body and comprehensive management of the trauma victim and critically ill surgical patient.

Roch Boyer, MD, FACS Lance Ercanbrack, MD Ryan Gunliksom, MD Stephen Milheim, MD, FACS
John Craig, MD, FACS David Fortenberry, MD, FACS Robin Harrison, MD, FACS Mattie Murphy, PA-C
Bennett Dykstra, MD, FACS Justine Gavagan, MD, FACS John Means, MD, FACS

Surgery, Neurological
The surgical treatment of the nervous system and brain.

Stephen S. Campbell, MD Thomas Origitano, MD, PhD, FACS Jessica Christensen, PA-C, ATC Amy Tangedahl, PA-C
Joshua Krass, DO Joseph Sramek, MD Robert Griffin, MS, PA-C Joshua Williford, PA-C

Surgery, Oral/Maxillofacial
Surgery of the jaw, mouth, and face.

James Jerman, DDS Bernadette Wilson, DDS, MD

Surgery, Plastic
Surgery concerned with the repair, restoration, or improvement of the body.

Brent Buchele, MD, MBA Michael Hromadka, MD Michelle Spring, MD, FACS Kristy Ehrmantraut, PA-C

Surgery, Thoracic
Surgery that relates to the chest.

Roch Boyer, MD, FACS Bennett Dykstra, MD, FACS David Fortenberry, MD, FACS
John Craig, MD, FACS John A. Federico, MD, FRCSC, FACS Stephen Milheim, MD, FACS

Surgery, Vascular
Surgery that relates to the blood supply and blood vessels outside the heart region.

John Craig, MD, FACS Bennett Dykstra, MD, FACS David Fortenberry, MD, FACS

Wellness
The practice of health and medical care related to wellness outcomes.

Pam Roberts, MD

Women’s Health, Certified Nurse Midwives
Women’s services providing prenatal, labor and delivery, and gynecologic health care.

Pady Dusing, CNM Honey Newton, CNM Jana Sund, CNM
Amber L. Lavin, CNM, WHNP Pamela Parsons, CNM Jeanne Tremper, CNM, BSN
### Women’s Health, Gynecology

Gynecology is the primary care of women including, but not limited to, care of reproductive organs, infertility, menopause, and surgery.

GRATEFUL PATIENTS AND GIVING BACK

The Kalispell Regional Healthcare and North Valley Hospital Foundations have been supporting the vision and mission of quality healthcare by converting our donors’ generosity into medical excellence for the various departments of each campus.

KRH Foundation.............................................(406) 751-6930
A charitable 501(c)(3) organization supporting the mission and vision of Kalispell Regional Healthcare, converting donor generosity into medical excellence.

North Valley Hospital Foundation..........(406) 863-3560
A charitable 501(c)(3) supporting organization whose mission is to inspire a culture of giving which ensures the transition of excellent health care for the community and its heirs.

“My accident and the injuries I sustained were life altering for my family. We stepped back and looked at not only how we live and love, but how others – those familiar, as well as those who we just happened to meet in the hospital – affect our lives. I am so grateful for the extraordinary health care provided to all of us right here in northwestern Montana.”
– Anonymous Patient

“It was really scary to see our son so sick. There are no words to fully describe the fear we felt. We are so thankful for the ER staff that treated Nathan. They helped save his life.”
– Nathan’s mother

“How do you express your gratitude to someone who totally saved your child?”
– KayCee Poulson

“Everything goes back to that day when my life ended in the accident, but started again because of the life-saving medical care provided by Kalispell Regional Medical Center. I realize now more than before, that life is a gift and the people around you are gifts.”
– Glen Brist
In August 2016, Kalispell Regional Healthcare broke ground on a new 190,000-square-foot facility that will house services for children. Construction is taking place to the east of The HealthCenter and Kalispell Regional Medical Center and is expected to take 20-24 months.

The new Emergency Services Center is under construction, with plans to open fully by late 2017. The space, which was previously a surgery area, is being modernized and expanded to serve as the ER’s trauma and clinical rooms.
CONSTRUCTION UPDATES

Please visit krh.org for current progress and updates.

NORTHWEST FAMILY MEDICINE
In May 2017, Northwest Family Medicine, a primary care clinic in the KRH system, moved to a new location. Patients will now be seen at 70 Village Loop, Kalispell near the junction of Whitefish Stage and West Evergreen Drive.

DIGESTIVE HEALTH INSTITUTE OF MONTANA
Plans have been finalized for the construction of a new, integrated gastroenterology facility at The HealthCenter. Groundbreaking for the Digestive Health Institute of Montana took place June 1, 2017 with a completion goal of late summer or early fall of 2018.
JOIN OUR TEAM

We encourage a positive, healthy work environment for all of our employees. At Kalispell Regional Healthcare, you’ll partner with more than 4,000 employees at one of Montana’s most technologically advanced health care organizations in one of the state’s most desirable communities.

Kalispell Regional Healthcare rewards professional excellence among its staff and promotes a team spirit at annual employee events. Competitive benefits, merit pay, team values, and extraordinary professional tools and support are the hallmarks of a Kalispell Regional Healthcare career. Discover the professional opportunities and quality of life you desire. Come join a fabulous team!

Kalispell Regional Healthcare consists of hospitals and facilities located throughout the Flathead Valley area and western Montana. Locations include three hospitals – The HealthCenter, Kalispell Regional Medical Center, and North Valley Hospital (a Planetree facility) – Brendan House skilled nursing facility, Kalispell Medical Equipment, Pathways Treatment CenterSM, and The Summit Medical Fitness Center.

Check out all current job openings at krh.org/jobs along with additional hiring requirements.

Departments Seeking Staff:
- Nursing - various levels, locations
- Licensed Non-Nursing Professionals
- Clerical/Office Support
- Technology Information Systems
- Patient Services
- Billing and Accounting
- And More...

Benefits Overview:
- Medical Insurance and Flexible Spending Account
