**The Inpatient Rehabilitation Center at HealthCenter:**

Certified as a Stroke Facility in 2014 in addition to our long standing Medical Rehabilitation Facility certification from the Commission on Accreditation of Rehab Facilities (CARF).

CARF is an international accredditor with rigorous standards for excellence in care.

What does it mean? When you come to the Inpatient Rehabilitation Center at HealthCenter, you or your loved one is receiving the best possible stroke care.

---

**FUNCTIONAL IMPROVEMENT**

Functional improvements are measured based upon a patient's Functional Improvement Measurements (FIMs) upon admission compared to those on discharge.

---

**2015 patient satisfaction survey**

96% of Inpatient Rehab patients would recommend The Inpatient Rehabilitation Center at HealthCenter to their friends & family!
